### **Playing Areas**

When Teams are registered they will be allocated a primary and secondary field at the club – this is required by AFF.

These fields are allocated as follows:

#### **Seniors**

- First Teams - Stadium Pitch  
Reserve Teams - Stadium Pitch Mclennan 1  
Other teams - Mclennan Park (normally field 1 and 2 alternating with different teams.

#### **Youth**

- Girls only Teams (13<sup>th</sup> Grade and Above) Mclennan Park (This is so changing rooms and proper toilets are available)  
Mixed Teams (12<sup>th</sup> Grade and above) Army Camp

#### **Junior**

- Girls 12<sup>th</sup> Grade and 11 Mixed and Below Army Camp or Bruce Pulman Park  
Small Whites Bruce Pulman Park

#### **Use of Stadium Pitch**

With the exception of the two first teams no other team has right of use of the stadium pitch, reserve teams are the only other team who may be scheduled to play there.

Other Teams may apply to play there (11 aside only). Applications should go to

Groundsman as early as possible. Applications will be approved where the pitch can handle the game, this is at the discretion of the Groundsman – appeals to that decision need to be put to the football committee. The only priority will be to share out use so a team who has already played on the stadium pitch that season may be refused on the grounds that another team who has not has also requested use.
