19 th grade	TBC				TBC	TBC	TBC

Please note for any players planning to attend grading sessions of a higher grade you need to advise both age group convenors or contacts and contact the football committee chairman Matt Morling as football committee approval will be required.

Playing up is for exceptional players and certain special cases only and not by choice, the ideal is for players to be playing in their correct age group and is endorsed by AFF and NZF. The current regulations around this are under review.
