SPONSORSHIP OPPORTUNITY

PAPAKURA CITY FOOTBALL CLUB

Mission Statement:

We will work together to provide opportunities by encouraging excellence, dedication, loyalty, passion and pride through continual development of football in our club.

Papakura Football Club is pleased to offer the opportunity for sponsorship. Established in 1959 the club has grown to be the largest Football Club in South Auckland attracting players from a wide demographic group. The expansion of the club continues as Football has become the most popular junior and youth sport in New Zealand. This popularity is now flowing through into the senior levels, assisted by the introduction of a professional career pathway in New Zealand and success by the national football squad in qualifying for the 2010 FIFA world cup.

In 2009 the club established the first Football Academy employing the services of Brian Derby as Academy Director. The aim of the Academy is to deliver highly skilled and knowledgeable players and coaches to achieve in the higher echelons of the sport.

Football is a growing sport with a generally affluent demographic following and Papakura Football Club is an established brand that reflects the moral awareness and business astuteness required to succeed in today's competitive market. Combined Papakura Football Club offers an opportunity for a mutually beneficial commercial relationship.

THE SPONSORSHIP

Papakura City Football Club has embarked on a plan to develop both the club and players. The goal is to provide the physical facilities and resource that will consistently develop players to the higher echelons of the sport.

The implementation of numerous sports disciplines within players to produce well rounded, highly focused, socially responsible individuals that can combine to form effective teams, not only is a key for success in the football and sporting arena but also in the commercial world.

Papakura City Football Club have laid the foundations but now need to push into the second development stage, creating commercial partnerships with like organisations that will enjoy being involved in the development process.

Stage two will focus expenses on improving the football training facilities within the club, training equipment and physical resource available for coaching and sports science disciplines.

WEBSITE EXPOSURE

The internet is now a powerful commerce tool and Papakura City Football is in the process of positioning its marketing strategy to maximise the use of its website for the developments of the club, players and relationship with existing and future sponsors.

The club views the website as a vehicle of communication with its members and registered players with news, information, registration, interviews and brand exposure.

Unlike traditional methods, the website and internet allows the club to reach a far wider community dreamed possible a few years ago. It is this reach where the club sees benefits for sponsorship.

Opportunities:

- Online tactical campaigns delivering special offers will reach a far wider audience
- Up to date information can be delivered through text, audio and video
- Interviews with key club players, coaches, sponsors and club executives can be delivered through video to motivate and excite

The power of the internet and Club website will add significant value to any sponsor and it is a too that the club expects to fully harness over the coming years.

About Papakura City Football Club

The Papakura Football Club was formed in 1959. The Club teams participate in all competitions within the Auckland Region. In 1998 the club became one of the biggest in Counties and saw the first girls team play in the local competition. There is much historical information being gathered about the club and will be published in due course. The Club has seen a steady increase in junior and youth membership. In 1994 there were only 14 junior teams. The Year 2002 saw 580 junior and youth players registered with 62 teams playing. In 2004 we had a wide range of players with almost 700 registered players in junior and youth, with several all girls teams also playing.

In 2010 we had:
